## INNOVATING INDUSTRIAL PRECISION

High-Performance Measurement Systems  
for **Steel & Aluminum Processing**

### KEY CAPABILITIES

#### [THICKNESS MEASUREMENT]

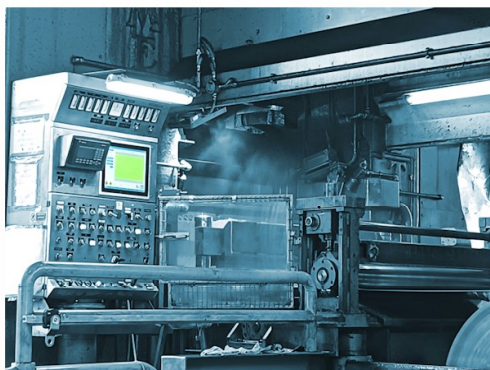

Laser & X-ray gauges

#### [WIDTH & FLATNESS CONTROL]

real-time monitoring

#### [TUBE & PIPE PROFILING]

dimension verification

### MEASUREMENT SYSTEMS

#### [PRECISION TECHNOLOGY]

accurate data

#### [REAL-TIME MONITORING]

dynamic feedback

#### [ROBUST & RELIABLE]

industrial durability

#### [SEAMLESS INTEGRATION]

facility connectivity
